Who's Who

Macbeth
Macbeth was originally one of King Duncan's top soldiers. Told he would be King one day by witches, his lust for power made him dangerously unstable, vicious and lonely.

Lady Macbeth
A strong, ambitious woman, Lady Macbeth encouraged her husband in his reckless climb to the top. Eventually, though, she cracked under the pressure.

Banquo
A strong soldier, Banquo fought side to side with Macbeth. But when witches said his sons would be Scotland's future kings, Macbeth turned against him.

MacDuff
Great warrior always suspected Macbeth. Eventually he fled to England to help lead an uprising from there. His wife and children were put to death as revenge.
